G-Next Model School (An ISO 9001:2015 Certified School), Khowai, was founded in 2016 under Vivekananda Educational and Charitable Trust (Rgs. No. 3425/2019). Recognized by the Education Department of Government of Tripura. Our goal is to provide every child with international standard of education, imparted by our core group of trained teachers and administrative body. We believe in hands on, joyful learning both inside and outside of the classrooms.

## Our Curriculum based on **NEP 2020 & NCF 2023**

Our Mission at G-Next Model School is to empower students to acquire, articulate and value knowledge & skills that will build them to be life-long learners to participate and contribute to the society. Our vision is that our students practice the core values of the school (Respect, Tolerance, Inclusion and excellence) to become future leaders of this world.

## **OUR COMMITMENT TO EXCELLENCE**

*Our commitment is based on the knowledge that children learn through play. We respect each child's uniqueness and allow them to grow at their own place. We provide a safe and nurturing environment that allows children to develop in all are-as: socially, emotionally, cognitively, linguistically and physically. Our goal is to in- stall a joy in learning that each child will carry throughout their life.*

**Play, Learn and Grow Together**

## OUR CURRICULUM APPROACH

At G-Next Model School, we have a multidisciplinary, interactive and child centric approach towards learning. The curriculum provides a broad framework which extends beyond academics to the emotional, social, physical, moral and ethical development of a child. We encourage peer learning which fosters collaboration and confidence building. Our students are encouraged to explore new ideas, learn by doing, experiencing, roleplaying thus making the learning more real and relevant. We believe in providing a stimulating and challenging environment that encourages creativity and innovation. We encourage individual differences and endeavour towards creating in our children a broad and tolerant outlook. A student passing out from the school could fit anywhere.

## COURSES OF STUDY

A Co-educational School with English as the language of instruction.

## PRE-PRIMARY CURRICULUM

G-NEXT's pre-primary curriculum (ages 3-6) is a play-based, holistic framework focusing on holistic development (cognitive, social, emotional, physical) through themes, activities, and exploration, building foundations in literacy (phonics, writing), numeracy (counting, shapes), EVS (world awareness), and arts, using methods like storytelling, music, and hands-on tasks to prepare children for formal schooling. It integrates learning areas rather than teaching subjects in isolation, emphasizing experiential, student-focused learning.

Skills

## PRIMARY CURRICULUM

G-NEXT's primary curriculum provides foundational learning for young children (Grade 1 to 5), focusing on core subjects like language, math, environmental awareness, along with arts, physical education, and digital literacy, emphasizing hands-on, interactive methods to build critical thinking, problem-solving, and social skills for future academic and personal growth. Also focus on holistic development and a love for learning through engaging activities, preparing kids for more abstract learning in later grades.

## UPPER PRIMARY CURRICULUM

G-NEXT's upper primary school curriculum (for Grades 6-8) builds foundational skills with core subjects like English, Maths, Science, and Social Studies moving from integrated environmental studies to more specialized science, while also introducing art, music, PE, and coding, focusing on critical thinking, experiential learning (experiments, projects, field trips), and holistic development to prepare students for secondary education.
